TOWN OF LOGY BAY-MIDDLE COVE-OUTER COVE DEVELOPMENT REGULATIONS AMENDMENT No. 9, 2010

BACKGROUND

The Town of Logy Bay-Middle Cove-Outer Cove proposes to implement Development Regulations Amendment No. 9, 2010. The Town Council has received a comprehensive development proposal for a 12 lot unserviced residential subdivision to be located off St. Francis Road. A new road will be constructed off St. Francis Road to connect to Sandlewood Drive located off the Pine Line.

To accommodate the subdivision development within the Town of Logy Bay-Middle Cove-Outer Cove this Amendment will re-zone land for the residential subdivision from Residential Subdivision Area to Residential Low Density.

St. John's Urban Region Regional Plan

The St. John's Urban Region Regional Plan Map has designated this area as Agriculture. Regional Plan Amendment No. 2, 1988 amended the Agriculture policies which stated in part "*...non-agricultural-related uses may be allowed in Agricultural Development Areas provided that they are not considered to have an adverse impact on agricultural uses ...*" In 1992 the Agriculture Branch completed a review of the St. John's Agriculture Development Area (ADA) and this area was removed from the Agriculture designation and the area is now designated Rural in the Regional Plan.

Regional Plan Amendment No. 4, 1994 amended the Rural Regional Plan Policies which stated in part that "*...residential development may be permitted in Rural areas*". The Plan Amendment also stated five criteria which are to be met to allow residential development in the Rural designation. We have reviewed these criteria and conclude that the proposed development meets the criteria as listed in Regional Plan Amendment

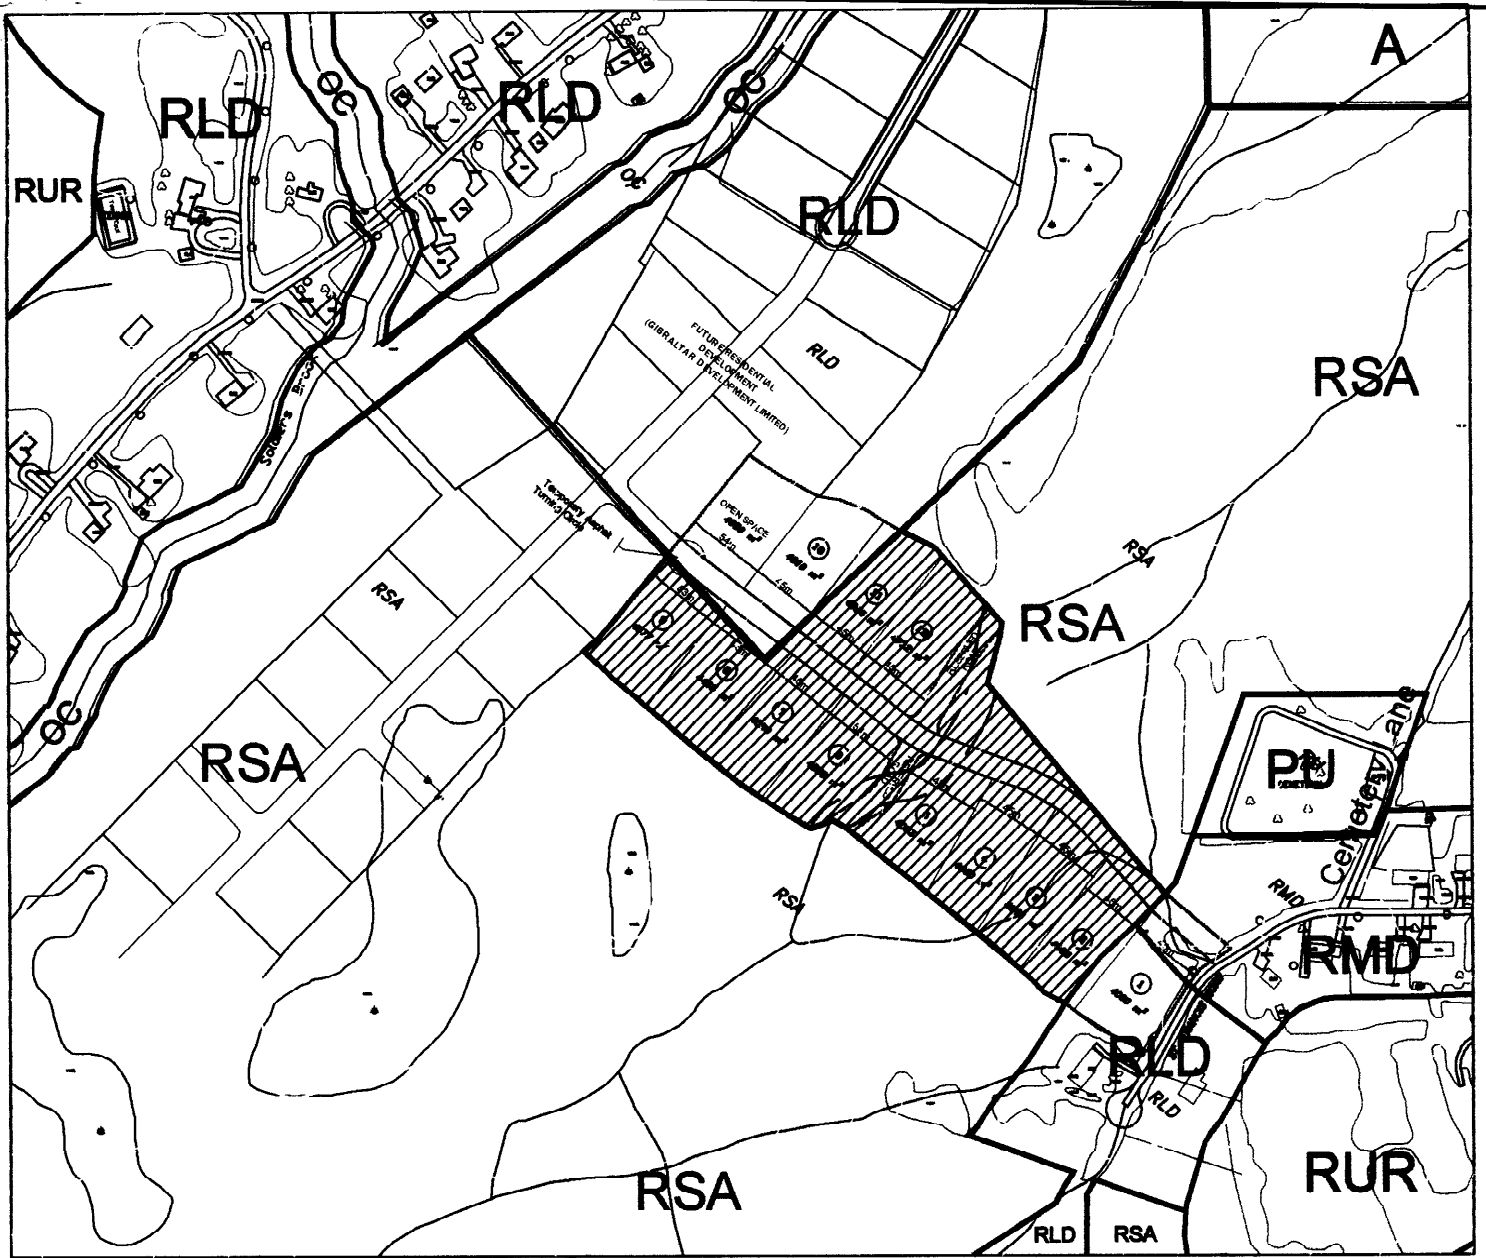

No. 4, 1994. We further conclude that no amendment to the St. John's Urban Region Regional Plan is required.
