TOWN OF LOGY BAY-MIDDLE COVE-OUTER COVE DEVELOPMENT REGULATIONS AMENDMENT No. 22, 2013

BACKGROUND

The Town of Logy Bay-Middle Cove-Outer Cove proposes to implement Development Regulations Amendment No. 22, 2013. The Town Council has received a development proposal for a nine lot unserviced residential subdivision to be located east, of Logy Bay Road. The proposed development will be accessed from Logy Bay Road by way of a cul-de-sac with a temporary turn around. A road reservation at the head of the cul-de-sac is held in reserve to allow future connection to Marine Drive.

Minimum lot sizes for the Residential Low Density (RLD) Land Use Zone Table are 4,050 m² with minimum frontages of 45m. The proposed nine (9) lot unserviced residential subdivision conforms to the minimum requirements for area and frontage for this zone.

The area is currently zoned as Residential Subdivision Area. To accommodate the proposed subdivision development within the Town of Logy Bay-Middle Cove-Outer Cove as described above, this Amendment will re-zone land from **Residential Subdivision Area (RSA)** to **Residential Low Density (RLD)**.

St. John's Urban Region Regional Plan

The St. John's Urban Region Regional Plan Map has designated this area as Agriculture. The Agricultural designation was superseded by Amendment No. 2, 1988, and is now designated as Rural. It is determined that an amendment to the St. John's Urban Region Regional Plan is required to conform with the proposed Logy Bay-Middle Cove-Outer Cove Development Regulations Amendment No. 22, 2013 and to bring the area of Marine Drive into conformance with the St. John's Urban Region Regional Plan.
