DEVELOPMENT REGULATIONS AMENDMENT No. 25, 2014**

BACKGROUND

The Town of Logy Bay-Middle Cove-Outer Cove proposes to implement Development Regulations Amendment No. 25, 2014. The Logy Bay-Middle Cove-Outer Cove Land Use Zone Map has both sides of Devereaux's Lane zoned as Residential Low Density (RLD). Residential Development must have a minimum lot size of 4050m² and a minimum frontage of 45m. A recent development application for a residence on Devereaux's Lane could not be approved due to non-conformity with the Regulations, insufficient frontage and area.

After researching other properties on Devereaux's Lane, the Town concluded a majority of land ownership properties do not conform to the Residential Low Density (RLD) Land Use Zone Table due to insufficient frontage and area. Presently, there are 19 properties of which 2 properties have the required frontage to meet the Regulations.

The purpose of this Development Regulations Amendment is to re-zone land on both sides of Devereaux's Lane from Residential Low Density (RLD) to Residential Medium Density (RMD). The change will decrease the minimum lot size from 4050m² to 2025m² and decrease the minimum frontage from 45m to 38m. This change will align the zoning with the existing residential development and allow for two additional residential infill lots on Devereaux's Lane.

St. John's Urban Region Regional Plan

The St. John's Urban Region Regional Plan Map has designated this area as Urban Development. It is determined that no amendment to the St. John's Urban Region Regional Plan is required to conform with the proposed Logy Bay-Middle Cove-Outer Cove Development Regulations Amendment No. 25, 2014.

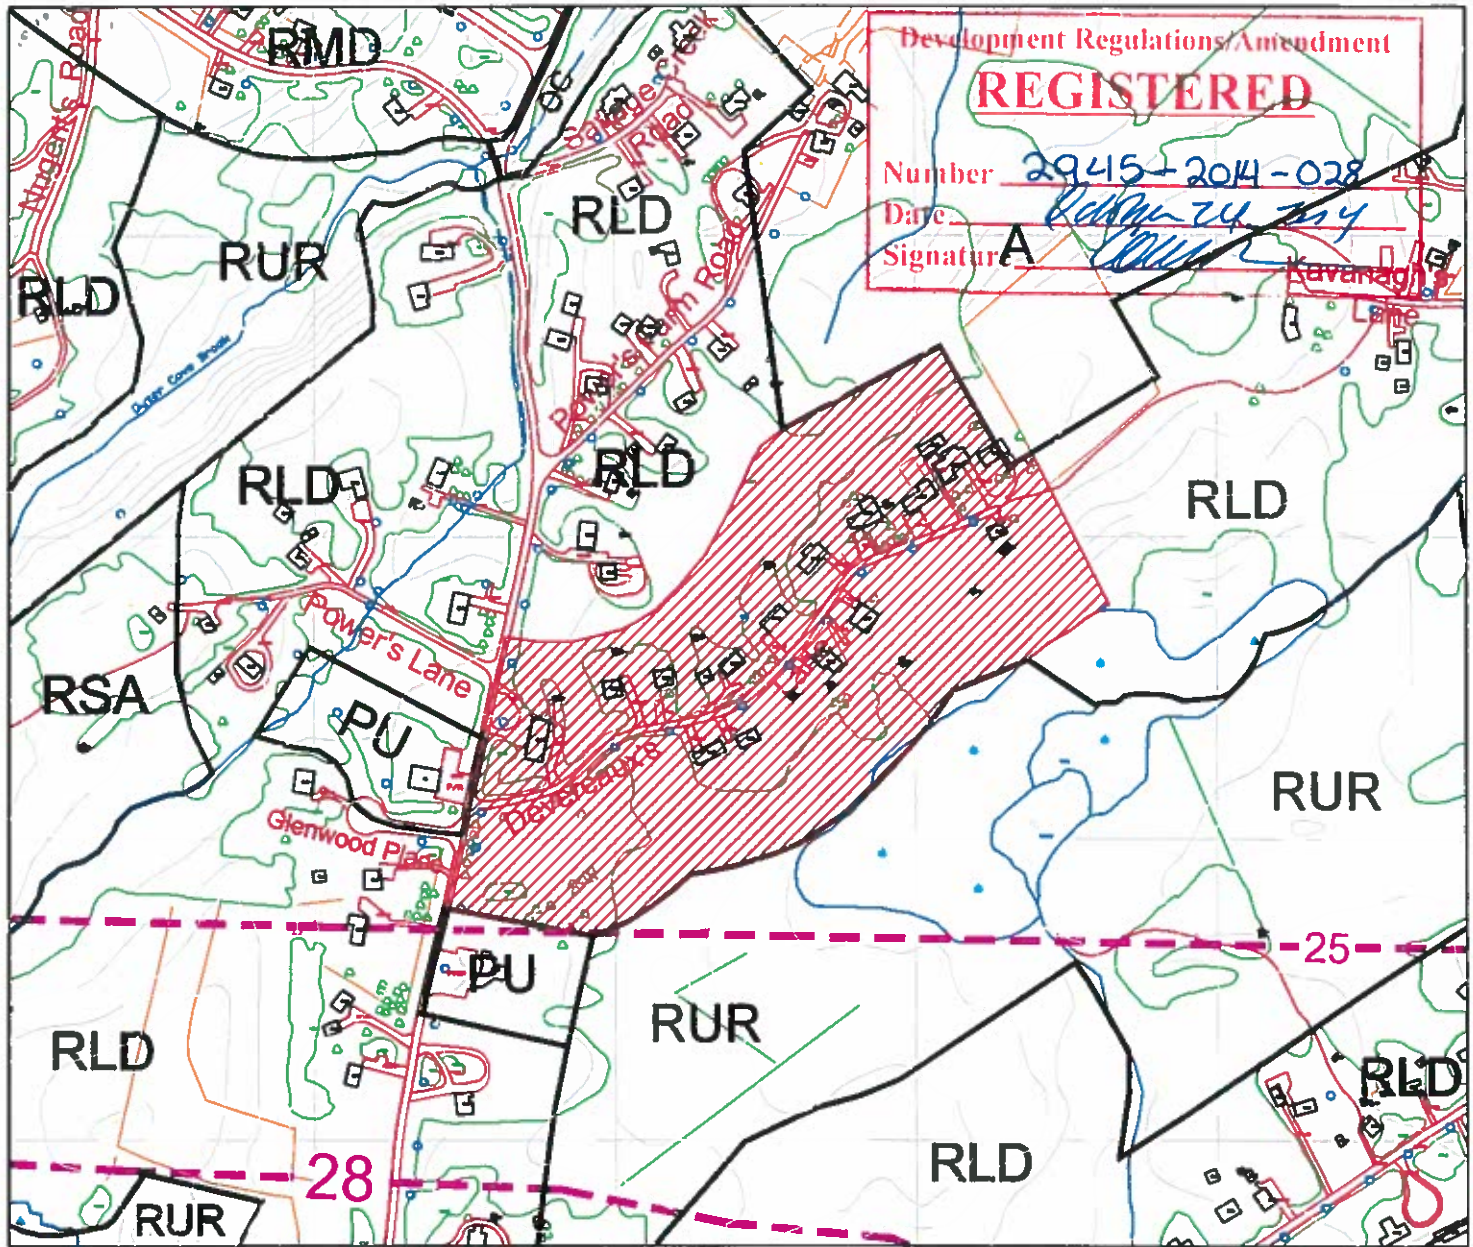

PUBLIC CONSULTATION

During the preparation of this amendment, Council undertook the following initiative so that individuals and groups could provide input to the proposed Development Regulations Amendment. The Town also published a notice in *The Telegram* newspaper on September 27, 2014, advertising the proposed amendment seeking comments or representations from the public. The Town Council placed the proposed amendment on display at the Town Council Office from September 29, to October 3, 2014, for residents to view and to provide any comments or concerns in writing to the Council concerning the proposed amendment. Four letters with objections were received within the time stipulated in the notice.
