

Scent Free Policy

The General Public are advised that the Town has adopted a Scent Free Policy for all Municipal work places and Municipal buildings. Residents and visitors are asked for their cooperation while visiting the Town hall or participating in recreational activities at the Justina Centre by not using scented products but rather to use fragrance free or unscented products (see below). The exception would be private parties/weddings.

Definitions

Scented Products: Products that have, or may have, a detrimental effect upon the health of other persons and may include, but are not limited to, cosmetic products (for example: perfumes, aftershaves, colognes, shampoos and conditioners, soaps, body lotions and deodorants) and other products (for example: air fresheners and deodorizers, candles, potpourri, essential oils, some laundry detergents, fabric softeners and cleaning products).

Fragrance-free or Unscented products: Products that contain no fragrances or masking agents that hide the scents of other ingredients.
