

Recreation Registration & Attendance Priority Policy

This Recreation Registration and Attendance Priority Policy is to establish guidelines and requirements with respect to the Town's recreation programs and events and to outline information regarding priority given during registration and attendance at Town events and programming. Pursuant to the general powers conferred to the Town under the Municipalities Act, 1999, the following regulations were approved and adopted at a regular meeting of Council on _____, 2022.

Background

The Town organizes and implements recreation programming and events to provide opportunities for residents, groups, and the public to engage in physical activity, community get togethers, fundraisers, tournaments, and other programming as needed. When recreation facilities are in use for Town events or programs, the Town's indoor facility (Justina Centre) is limited to a fire regulation capacity. Town events and programming registration and attendance priority will be determined by capacity numbers. In the case that capacity will be determined an issue the Town will follow the registration and priority attendance list which is listed below. The Town will determine dates, times and order of registration at its discretion.
