False alarms are also expensed to the Town as an additional fee. Here are some tips to avoid false alarms:

- Ensure safety alarms are working properly (check batteries and units regularly).
- Ensure your security providers have your current contact information so they can contact you promptly.
- Chose pet friendly sensors if you have a furry friends living in your home.
- Secure your windows & doors to ensure sensors don't falsely engage.
- Ensure visitors to your home know the alarm process to prevent false activations.
